

SPECIAL EVENING MEETING FEATURING THE
46TH COOLING PRIZE COMPETITION FINAL

Tuesday 3rd March 2015

at 5.30pm (Refreshments) for 6.00pm

hosted by
SOUTHAMPTON UNIVERSITY
And
ICE South Branch Geotechnical Group

University of Southampton
Building 175, Room 1025
Boldrewood Campus, Burgess Road
(see overleaf for directions)

The evening will feature presentations by the Cooling Prize finalists and a special lecture by Ziggy Lubkowski:

Do we talk enough about earthquake risk?

Advance booking required. <http://www.ice.org.uk/Event?ID=3330>

Note that you do not have to be an ICE Member to use it. When you've followed the Book Online link on the webpage, either enter your log-in information if you're already an ICE Member or, if not, choose "Register Now".

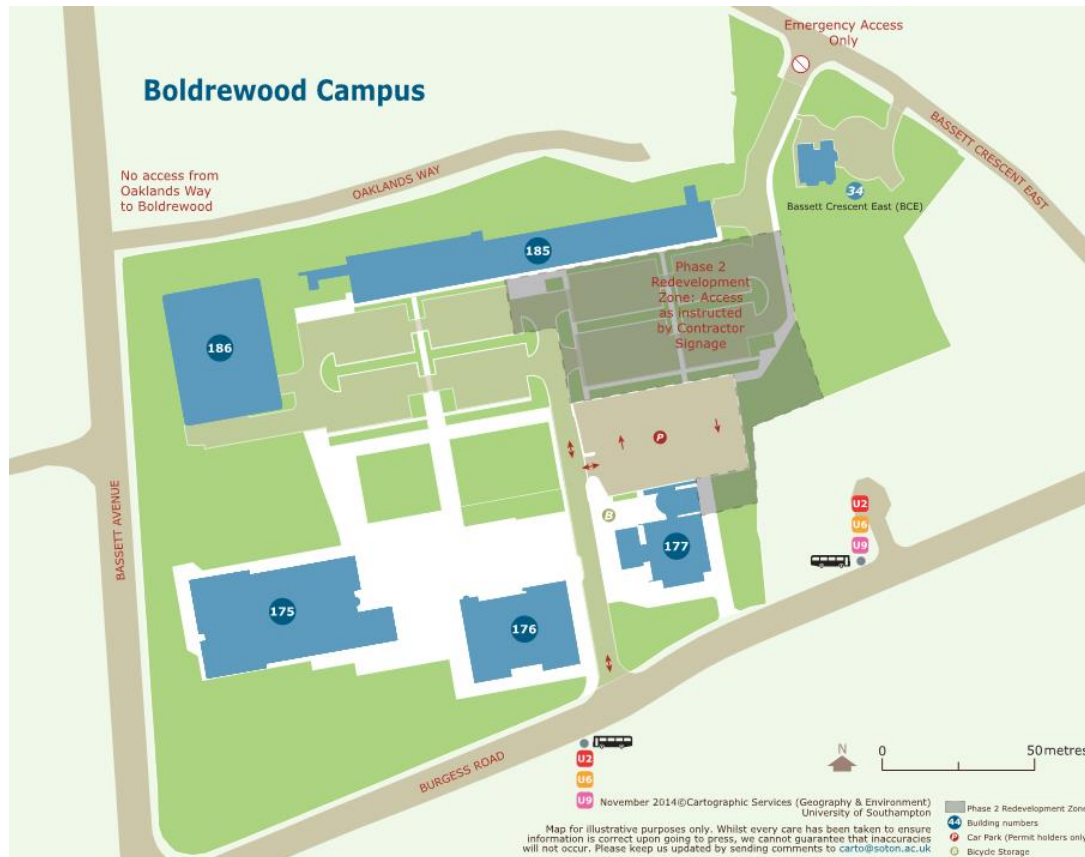

You will be required to supply your name, email address, postal address, date of birth and a password. When the formalities are completed you will be able to book for this and any other ICE meetings that are of interest to you. In case of difficulties contact: Anne.Qualters@ice.org.uk or t: 020 8663 9027.

Disclaimer: Any views or opinions expressed on any matters by the presenters or participants during or in connection with any presentation are solely the views of the authors of the respective comments and/or opinions and must not be taken to be the views of ICE or the British Geotechnical Association or any other organisation. ICE and the BGA make no representations, warranties or assurances concerning any information provided in these presentations and accept no responsibility for the content and/or accuracy

Directions:

Boldrewood Campus, Burgess Road, Southampton, S016 7QF

Lecture theatre is Building 175 Room 1025, but note that access is via the main entrance to Building 176 (it will not be possible to use the entrance to 175).

Instructions to reach the site are available online <http://www.southampton.ac.uk/visitus/campuses/bolderwood.html>

Pay and Display Parking is available on The Highfield Campus which is only a few minutes' walk from Boldrewood.
