**New Member Benefit for BGA –
Save Big on a Subscription to CGJ**

You can now get a personal electronic subscription to the Canadian Geotechnical Journal, regularly priced at \$246 US for **just \$50 US**. This subscription gives you access to all content from CGJ from 1996 to 2015. See below for details on how to subscribe.

Published since 1963, this monthly journal features articles, notes, and discussions related to new developments in geotechnical and geoenvironmental engineering, and applied sciences. The topics include soil and rock mechanics, material properties and fundamental behaviour, site characterization, foundations, excavations, tunnels, dams and embankments, slopes, landslides, geological and rock engineering, ground improvement, hydrogeology and contaminant hydrogeology, geochemistry, waste management, geosynthetics, offshore engineering, ice, frozen ground and northern engineering, risk and reliability applications, and physical and numerical modelling.

Journal Web Page: nrcresearchpress.com/journal/cgj

Indexed in: Arctic & Antarctic Regions (AAR), Compendex (COMPUTERIZED ENGINEERING INDEX), CSA Civil Engineering Abstracts, Current Contents, GEOBASE, GeoRef, Irrigation and Drainage Abstracts, Science Citation Index, Scopus, EBSCO, OCLC, Summon, ReadCube, and more.

How to subscribe: Simply e-mail the subscription office above with "CGJ_BGA personal subscription" in the subject field and your contact information in the body of the e-mail. A CSP representative will contact you with payment options.
